Keelung Harbor

Monday

3 Hi Betty! Hi Jason!
Welcome to Keelung City.

Monday, June 30 8:00 am

We are in Keelung City, Taiwan.
It is so hot today. I am sweating.
I see many eagles and mountains.
Will I like Keelung?

Jason

There are 740 rooms in this boat. Almost 1,500 people can sleep on this boat. This boat is almost 30 meters tall.

① That's Keelung harbor.
There are many cranes.
Keelung Harbor is big and
busy.

③ Jason, don't eat
fast food. It will
make you fat.

② I'm hungry. I want
some fast food. It's
too hot. Let's play
video games at your
house.

The boxes on the ground
are called containers. The
cranes can lift the containers
on and off the ships. The
cranes can put the containers
on trucks, too.

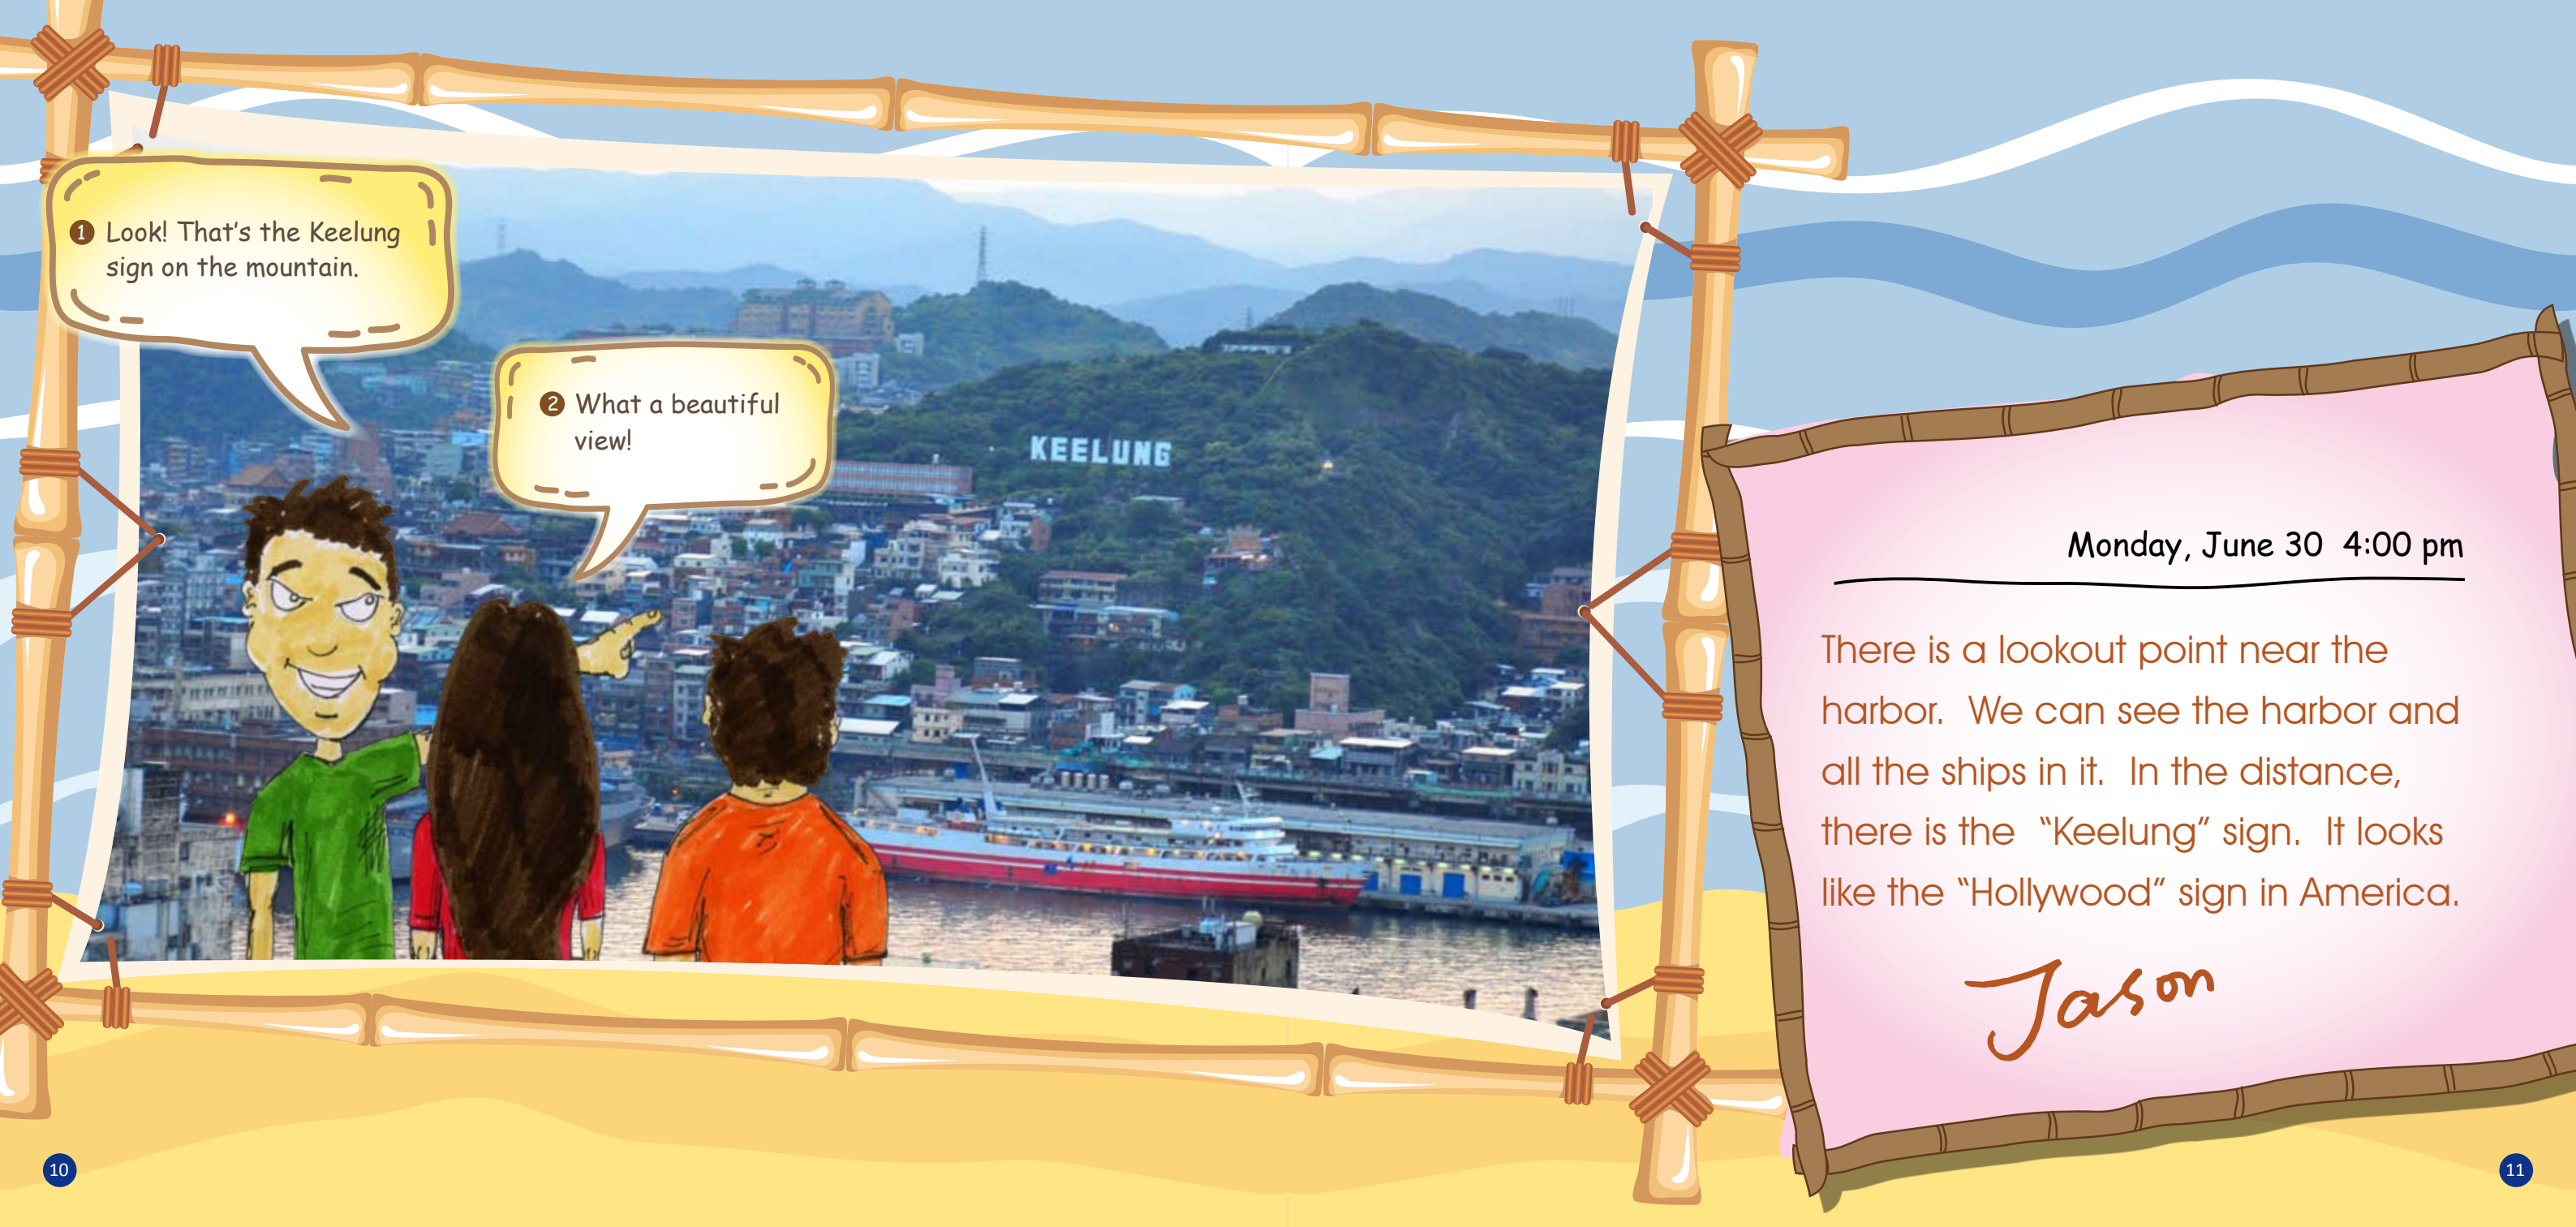

Monday, June 30 1:00 PM

We are looking at Keelung Harbor,
There are many ships, cranes and
about 200 containers.

We are eating bian-dang for lunch.
It called "bian-dang ". I don't like
it. I like hot dogs and fries. Betty
loves it. She says it's "healthy and
delicious." I miss American food.

Jason

① Look! That's the Keelung sign on the mountain.

② What a beautiful view!

Monday, June 30 4:00 pm

There is a lookout point near the harbor. We can see the harbor and all the ships in it. In the distance, there is the "Keelung" sign. It looks like the "Hollywood" sign in America.

Jason

① Jackie, thanks for giving your skates to Jason. He likes to skate.

② No problem, Betty. Be careful, Jason. Don't fall in the water.

③ Don't worry. I'm Superman!

So silly! Only birds and airplanes can fly.

Monday, June 30 6:00 pm

I am skating. It's fun, but I want to go to a skate park. Jackie gave me a cheeseburger and fried chicken. It was very yummy. I want my video games. I don't think I like it here.

Jason

There are large and small boats in Keelung Harbor.
