And there is NOTHING that will get her to eat them. Mum says she can have an extra pudding, a chocolate factory or a space rocket with double retro laser blammers – but it just won't work! Can quick-thinking Daisy save her tea time and come up with a cunning plan to turn the tables on Mum?</p> <p>This is a wickedly funny book about dinner time which will appeal to fussy eating children and their despairing parents! This SUPERSIZED format really brings Nick Sharratt's clean and vibrant artwork to life!</p>
